

# MAKE A JAMAALIDAY GARLAND

Celebrate Jamaalidays by making this super cool garland!

## WHAT YOU'LL NEED:

- Scissors
- String
- Animal Jam garland printout
- Construction paper in a variety of colors
- Large hole puncher (optional)
- Small hole puncher
- Other art supplies – crayons, markers, glitter, glue, etc.

## INSTRUCTIONS:

1. Use the large hole puncher or scissors to cut out a bunch of circles (or any shape you would like!) from the construction paper.
2. If you'd like, you can color and cut out the Animal Jam garland sheet to add to your festive Jamaaliday Garland!
3. Punch a small hole in each of the larger garland pieces you created.
4. Run the string through the small holes you created. Add on each of the garland pieces you created!
5. When you're done, hang up your magnificent creation! Have fun celebrating the Jamaalidays with your friends and family!
